

Annex F: Table of changes from KCSIE September 2024 version

This table explains where we have made changes and our rationale for doing so.

We will publish KCSIE (final version) 2025 on 1 September 2025, by which time we expect it to include links to revised guidance on Relationships, Sex, and Health Education and revised guidance on gender questioning children.

KCSIE has been revised regularly for many years, and we intend that it will continue to be revised and improved on a regular basis. Whilst there are only technical changes to KCSIE 2025, future iterations will reflect the progress into legislation of the Children's Wellbeing and Schools Bill, the emerging further learnings from the work of the recent Casey Audit and subsequent inquiries, the Violence Against Women and Girls strategy and the interactions between these advances.

This Government is clear that there are and will continue to be further learnings about how we can better protect children in the future as we come to understand more clearly what has gone wrong in the past and schools and colleges will continue to need to play an incredibly important role in this.
